Hi, My name is Sabas E Montiel, I have an account with Celsius Network and I have not received any of my assets. I have tried calling the phone number they provide and I get no answer. I have tried to send emails to the email address they provide and it is not a good email address.

Now they send me an email saying Celsius will wind down its operations. (I included part of their email below). Will you please help me recover my assets from Celsius?

Thank you very much

Sincerely

Sabas E Montiel
